ON THE RUN   Words & Music: T. Wells & T. Lex

[Am]   [G]   [FM7]   x4

[Am]See the boy runnin [G]through those streets West [FM7]Hollywood
[Am]He's got a gun so he [G]robs a bank in the [FM7]neighborhood
[Am]Steals a car now he's [G]speeding down Santa [FM7]Cruz freeway
[Am]Cops are commin, but he [G]keeps a runnin, just to [FM7]get away

But while he's [Dm7]still alive, he'll switch to [Em7]overdrive,
But like his [FM7]daddy said, he will [G11]soon be dead,

On the [Am]Run   [Bm/A]   [Am]   [Bm/A]   x2

[Am]See the man runnin [G]down that street on [FM7]South Broadway
[Am]He's made a deal with the [G]Cocaine king, now [FM7]he has to pay
[Am]But he lost the money in a [G]hot card game, so they're [FM7]after him
[Am]He owes 10K by the [G]end of the day, then the [FM7]fix is in

But he can't [Dm7]pay that bill, so they will [Em7]shoot to kill
Then while his [FM7]mama cries, still in that [G11]grave he lies

On the [Am]Run   [Bm/A]   [Am]   [Bm/A]   x2

The [C]engine's screaming [D]loud, [A+4]pushing past the [A]red
[C]Chasing fear that's [D]already [A+4]screaming past his [A]head
[C]He will fight fa[D]tigue, [Bm7]driving through the [Em7]night
[FM7]Desperate for now just to [Am/E]be out of [E+]sight
