(150 bpm)

Words & Music: M. Allison & T-Lex

[A]Suicidal Sammy baked a [A7]cake
[E]Purist of ingredients but all [E9]fake
He [F#m]offered to his mates but they don't eat [F#m7]cake
So [D]Suicidal Sammy failed to [D9]rate

Now [A]Suicidal Sammy can't be [A7]lieve
The [E]world is never real, only per[E9]ceived
[F#m]States his point of view then to peer re[F#m7]view
[D]All his mates say he ain't got a [D9]clue

[E7]Somehow [A/E]he's [Bm/E]al[A/E]ways [E7]just
[D7]on the [G/D]out[D9]side
[E7]Never [A/E]quite [Bm/E]makes [A/E]it [E7]al
[D7]though he [G/D]has [D9]tried
[A]Sammy, Sammy, Sammy

[A]Suicidal Sammy just won't [A7]fit
[E]Even if it was just a little [E9]bit
The [F#m]more that he conforms the morning light just [F#m7]dawns
Con[D]firms he's made of stuff of different [D9]forms

[A]Now Suicidal Sammy always [A7]knew
He's [E]just not normal so what to [E9]do
[F#m]Doesn't fit with old friends doesn't fit with [F#m7]blood
[D]Best to hit the pavement with an understated [D9]thud
